

Mayerlin Reyes is a 29 year old. She moved to Reading, PA from Santo Domingo, Dominican Republic in 2002 at the age of 13. She received a BA from Alvernia University with a dual Major in Human Resources & Management. Mayerlin currently works for The Reading Hospital Tower Health as a Patient Financial Service Specialist.

Mayerlin together with three of her friends started the Curly Sisterhood blog. This blog was created to embrace natural curly hair and to bring awareness about natural hair. It is a sad fact that in the Dominican community curly/texture hair can lead to rejection as curly hair is not

considered beautiful or professional.

Mayerlin has always loved her natural hair and although in the past she used to straighten her hair more often, feeling rejected was not the case for her, but it's a reality that a lot girls with curly hair faced rejection every day by different groups and social classes.

On her free time Mayerlin enjoys spending time with her family, especially her husband Christopher Reyes and her 7 month old Son Matteo. She loves traveling, learning about different cultures and trying new food.
